Winter Storm WARNING through 7AM Saturday

Timing, Snowfall, Impacts, Confidence Today– Saturday Morning

Timing:

- Precipitation continuing tonight and ending early Saturday morning
 - Ending along and west I-65 by 4 AM EST
 - Ending east of I-65 by Daybreak

Precip:

- Snow expected to continue over south-central Indiana and central Kentucky
- Snow will be moderate to at times heavy in the final band of snow that pushes through tonight

Impacts:

- KY State of Emergency Declared...Travel Not Recommended Except for Emergency Personnel.
- Indiana...Very hazardous road conditions likely through Saturday morning.
- Power outages possible in heaviest ice and snow regions due to winds gusting up to 30 mph.

Confidence:

- High Confidence that light snow will continue tonight.
- Low to Moderate Confidence in the evolution of a final band of moderate to at times heavy snow pushing east through the region tonight.
